Teacher Comments (if any):

Homework This Week Includes: Math, spelling and reading each night, plus two nights of cursive. Students should study Wednesday night for the quizzes in math spelling and Daily Oral Language, which will be given on Thursday. Math Club will be held on **Wednesday**. **Note:** We have been reminding students that this Thursday is the last day, before report cards, to take AR tests on books they have read.

- **Family Conferences:** Please note that the conferences are for the student and parents to attend. We will discuss the student’s progress and write goals together in areas for improvement. **Note: Students will have a shortened schedule and will be released from school at 1:00 during the week of conferences. Also, we will be keeping the tests from this week, along with other work, so we can share them at Family Conferences.**

Math Club: Math Club will be held this **Wednesday** from 2:30 – 3:15 and can be attended weekly, or on a drop in, as needed, basis. No prior permission is necessary.

Teacher Work Day: There will be no school for students on Friday October 30.

Baywood Carnival: “Baywoodstock” October 30. Look for the latest fliers again this week.

Picture Make Up Day: November 12

Sincerely, Ms Craig and Mrs. Dexter
Miss Stone and Miss Johnson (Student Teachers)
