

### Directions

- Take South Bay Boulevard toward Morro Bay.
- Turn left at State Park Road.
- Stay left at the juncture where the road to the right heads up the hill toward the golf course.
- Turn right at the entrance to Morro Bay State Park.
- Follow the perimeter road around until you see a road heading left up the hill. There's a gate (hopefully open) and a sign that says "Group Campsites."
- When you get to the top you'll see my green Toyota truck (and maybe lots of our kids and tents.) on your left. You're there!
