Dear Baywood families,

Hope you all had a great week! Just a reminder that we have the next 2 Mondays off in observance of the President's Days. Enjoy your long weekends!

As Valentine's Day approaches and some classes will participate in the exchange of Valentine's cards with their classmates, just a reminder that we ask that no food items be added to the cards. This is both in compliance with our District's Wellness Policy, as well as in support of the numerous students we have at Baywood with food allergies. If your child would like to add a little gift to their Valentine's card please consider a sticker, pencil, eraser or bookmark.

The Art & Science lab will also be open during lunch on Tuesday and Wednesday for students who would like to make Valentines. Thank you to Kristyn Mitchell for her time and donations of crafts and cards to support this project!

Enjoy the long weekend!

Lisa
