Lisa Stephens, Principal

March 15, 2019

Dear Baywood families,

Hope you had an informative conference with your child's teacher! We are so proud of all our students' hard work this year! A big thank you to everyone who contributed to our "Feed the Teachers" this week. What a treat it was for our hard working teachers to enjoy a delicious lunch each day. What a wonderful school community we have!

As we are moving towards the last trimester of school, I just wanted to remind you how important it is for your child to be at school each day and on time. Last week, I was able to visit classrooms to appreciate those students who were here everyday for the trimester and the year. I know it is hard with a flu and cold bug that has been going around, but we really appreciate the effort you put into having your child be here each day and on time.

Thanks for your support!
Lisa
