Dear Baywood families,

Just a reminder that we have another three day weekend this week! Hope you all enjoy Monday off celebrating President's Day. Please also mark your calendars for a few changes to our upcoming schedules. Monday, March 4th is a Teacher Work Day with no students. Minimum Days will be March 11th-15th for Parent-Teacher Conferences. And finally, we have one more minimum day March 27th for teacher professional development. Thanks for making a note of these dates on your calendar!

This week in our media section, we have added a Digital Citizenship article about online Privacy & Digital Footprints for your student. As we live in a digital society, it is important to start these conversations with our children about online safety and security. Students also learn about this through our technology lessons at school. Thanks for all of your help and support at home!

Hope you have a great, long weekend!
Lisa

OPEN ENROLLMENT - March 4- March 29

Open Enrollment - Kindergarten/Transitional Kindergarten/Pre-School

Open enrollment is right around the corner! Registration packets will be available beginning March 4, 2019 at the office.

What is open enrollment?

Open enrollment is the time period during which families may request their child attend a school other than their home school. While we hope you are happy at Baywood, we understand that sometimes, for a variety of reasons, families are better served by their child attending another school due to transportation needs, child care or other

circumstances. If this is your situation, come to our office beginning March 4 - March 29. Do not miss the open enrollment window.

How do I register an incoming PreSchooler or Incoming Kindergartener?

Come into our office starting March 4 for the paperwork and information. Incoming Kindergarteners must be five years old on or before September 1, 2019. Transitional Kindergarteners must be five on or before December 2, 2019. Preschool students must be four by December 2, 2019. Preschool qualification is income based so we will need a form of income verification when you fill out an application. If you have a friend or neighbor with a child this age, please help us get the word out about these important dates!

What if I already have a child at Baywood, how do I Register them for the Next School Year?

You will receive InfoSnap online registration info in the Spring and will attend our Registration Day at the end of Summer. We will be sharing that important date with you soon!

If you have any questions about registration, please stop by the our office, call us at 805-534-2856 or e-mail us at erueda@slcusd.org.
