Dear Baywood families,

I can't believe we celebrated 100 days of school this week! The year is going by so quickly! Students were eager to share the ways that they have become smarter during their 100 days of school this year at Baywood. We are so proud of all that they have learned so far this year!

What a fun week we had spreading kindness! The next time you are on campus, check out our beautiful kindness tree as you walk into the office. And a big thank you to our PTA for another wonderful assembly this morning. It was a perfect way to continue our focus of friendship and kindness with learning the story of Oliver Button. We really appreciate PTA's support to provide so many wonderful learning opportunities, such as this one, to our students.

Last of all, thank you for coming out to our STEAM night last night! It was so fun to see so many families interacting in fun and engaging activities together! We love our Baywood community!

Hope you have a great weekend,  
Lisa
